## Proverbs 9 (The Way of Wisdom & Folly)

- 1 Wisdom has built her house;  
she has hewn her seven pillars.
- 2 She has slaughtered her beasts; she has mixed her wine;  
she has also set her table.
- 3 She has sent out her young women to call  
from the highest places in the town,
- 4 “Whoever is simple, let him turn in here!”  
To him who lacks sense she says,
- 5 “Come, eat of my bread  
and drink of the wine I have mixed.
- 6 Leave your simple ways,[a] and live,  
and walk in the way of insight.”

## Proverbs 9 (The Way of Wisdom & Folly)

7 Whoever corrects a scoffer gets himself abuse,  
and he who reproves a wicked man incurs injury.

8 Do not reprove a scoffer, or he will hate you;  
reprove a wise man, and he will love you.

9 Give instruction[b] to a wise man, and he will be still wiser;  
teach a righteous man, and he will increase in learning.

10 The fear of the Lord is the beginning of wisdom,  
and the knowledge of the Holy One is insight.

11 For by me your days will be multiplied,  
and years will be added to your life.

12 If you are wise, you are wise for yourself;  
if you scoff, you alone will bear it

## Proverbs 9 (The Way of Wisdom & Folly)

13 The woman Folly is loud;  
she is seductive[c] and knows nothing.  
14 She sits at the door of her house;  
she takes a seat on the highest places of the town,  
15 calling to those who pass by,  
who are going straight on their way,  
16 “Whoever is simple, let him turn in here!”  
And to him who lacks sense she says,  
17 “Stolen water is sweet,  
and bread eaten in secret is pleasant.”  
18 But he does not know that the dead are there,  
that her guests are in the depths of Sheol

■ DEFINITION:

Insight: The capacity to gain an accurate & deep **intuitive** understanding of a person or thing

Intuitive ≈ Instinctive

## WISDOM

Wisdom reflects how attuned you are to the world around you and represents perceptiveness and intuition.

### WISDOM CHECKS

A Wisdom check might reflect an effort to read body language, understand someone's feelings, notice things about the environment, or care for an injured person. The Animal Handling, Insight, Medicine, Perception, and Survival skills reflect aptitude in certain kinds of Wisdom checks.

**Animal Handling.** When there is any question whether you can calm down a domesticated animal, keep a mount from getting spooked, or intuit an animal's intentions, the DM might call for a Wisdom (Animal Handling) check. You also make a Wisdom (Animal Handling) check to control your mount when you attempt a risky maneuver.

**Insight.** Your Wisdom (Insight) check decides whether you can determine the true intentions of a creature, such as when searching out a lie or predicting someone's next move. Doing so involves gleaning clues from body language, speech habits, and changes in mannerisms.

**Medicine.** A Wisdom (Medicine) check lets you try to stabilize a dying companion or diagnose an illness.

**Perception.** Your Wisdom (Perception) check lets you spot, hear, or otherwise detect the presence of something. It measures your general awareness of your surroundings and the keenness of your senses.

Stay walking in the way of wisdom practicing it to the point where wisdom becomes almost instinctual.

Or don't and be lead any which way never knowing exactly where you are and hope you are not far from God.
